

Please join us for the launch of the American Education Research Association's Special Interest Group on virtual environments

ARVEL's mission is to steward a robust community of educators, scholars, and practitioners dedicated toward research in and on virtual 3D environments.

Professor Chris Dede of Harvard University will keynote the March 26th business meeting. He will present "Lessons Learned about Virtual Worlds for Learning"

Launch Party Monday, March 24, 7:00 to 9:00 pm Hilton New York - Petit Trianon, 3rd Floor 1335 Avenue of the Americas, New York, NY 10019 (212) 586-7000 - http://tinyurl.com/2bttwd/
